extra features at every show. His was a collosal entertainment. Curiosity of an Oriental wedding procession, a marriage ceremony, performances by Arabian acrobats, Oriental fire exters, Arab gun spinners, Turkish sword fights and concluded with the graceful evolutions of three Oriental dancers. When the little ones had enjoyed the whole of this they cried for more, and Turned On at encores were acually, cheerfully granted in spite of the heat, a rare occurrence on Coney Island, where the rule is to get the shows over quickly and give them often.

## A Vast Wheel of Journals.

Perhaps the most enthusiastic supporter illed Fun of the of the "Junior Republic gala" were the proprietors of Tilyou's great Chicago wheel, and here the popularity of the Journal was greatly in evidence. Copies of the paper were pasted on every car of the huge revolving observatory, while bunches of the paper were attached to every spoke of the wheel like huge bouquets, and festoons made of Journals were in all directions. Even the man on stilts who stalks about to advertise the wheel was dressed in a fantastic costume made up of Journals and WALSH, OF IOWA, ELECTED SECRETARY. YS TO PLEASURE. the national colors intermingled.

This great wheel was crowded all day with laughing children, and thousands of coupons were collected at the entrance. From the wheel to the Ice Rallway was but a step, and in that order, hour after hour, the continuous crowd of little ones wended their happy way. Then, thoroughly v the brightest, cooled off by the fresh air of the wheel another session in parlor R H of the Fifth is a oney Island has and the chilly sensation of scooting for Avenue Hotel yesterday. It lasted from leadly heat, its hundreds of yards over ice, off went the noon until nearly 2 o'clock. Most of the entertainment crowing youngsters to the London Zoo to business was of a routine character. J. as they could marvel at the savage animals or to had been expected that some radical me usiastic andi-burant's X Rays Theatre to wonder at the ures would be adopted toward exclusive strange yet attractive features presented the "Hannites" who were members of committee. The radical silver is oney. It was there. The aerial slide, the Edioloscope, girls of our the Venetian gondolas, the Algeria Theatre, the Steam Riding Academy, the "Cabaret to force this matter, but the lat the same du Neaut," La Belle Ayeshas, trops of ate contempo- Turkish dancers and the Mechanical Rid- valled.
